persons per group. Every student must have a parent or guardian  
complete and sign the attached waiver form before visiting the Otway  
Fly.**

Activity Description:

Abseiling off the Fly.

Today's Date: \_\_\_\_\_

Experience the thrill of a 25 metre abseil from the Otway Fly's elevated platform to the forest floor below. Abseiling is an exciting yet safe activity where you descend a rope, controlling your rate of descent with a friction device. You are fitted with a harness, helmet and glove attached to two ropes, and abseil and a safety rope. You control the abseil rope while we control the safety rope. It is a totally safe activity as we can slow you down, stop you, or lower you down if required. Once you reach the ground you untie your safety rope, unclip your abseil device and you're back on the walking track to the Visitor Centre.
